Student Resource Scheme (SRS)

This scheme operates to provide parents with a cost effective alternative to purchasing textbooks and/or resources. The scheme ensures that students have the resources required for them to engage with the curriculum for their education, and saves parents time and money in sourcing the prescribed materials elsewhere. Savings are gained through the school's bulk purchasing practices and hiring arrangements. The scheme is not used to raise funds for other purposes, and revenue collected through the scheme is applied only to the resources and operation of the scheme. The scheme's operation, resource inclusions and participation fees are approved by the school's P&C Association.

For our new families, parents are required to complete and return the SRS Participation Agreement. If no participation form is received, the school will take the view that the parent has chosen to opt out of the SRS. The parent is then required to provide all the educational resources listed in the SRS for their child by the start of the school year. A parent can opt in or out of the scheme in subsequent years by completing another Participation Agreement Form. A completed SRS Participation Agreement form only needs to be completed when your child starts and it will be for the term of the enrolment.

2025 SRS (Student Resource Scheme)

Prep to Year 3 - \$100.00

Year 4 to Year 6 = \$80.00

Option A: (Preferred)

Resources on the booklist are provided by the school as this enables the school to source the items in bulk. Stationery items will be provided by the parents. Each resource pack will be allocated per student participating in the scheme and agreeing to make payment for the scheme to the school.

Option B:

Purchase of all own resources. Preferences for stationery are indicated on the booklist. For continuity of teaching please buy the textbooks as listed on the booklist. Resources will not be provided by the school.

Financial Hardship

Parents experiencing financial hardship who wish to participate in the SRS should contact the school to discuss available options in confidence.

Payment Arrangement

Several payment options including a single payment for the full year's fee or term instalments are available. An instalment plan can also be negotiated with the school.

Kind regards
